PERSONAL SUMMARY

More than 6 years experience in both design and project management. Specialized in residential buildings, the projects I was involved in comprised numerous typologies such as high-rise/low-rise multifamily, terraced/detached houses and restorations.

A team player with excellent communication skills and academic qualifications, who has graduated with a degree in Architecture and Post graduated in Landscape Architecture .

Possessing a proven ability to ensure projected architectural designs are functional, safe and economical and meet the needs of the client. Excellent communication skills to keep in touch with clients to ensure that the project designs match their needs.

Easy going by nature and able to get along with both work colleagues and senior, currently looking for a suitable architect position.

PRINCIPAL ARCHITECT AT NAIRITA ARCHITECT AND ASSOCIATES, LUCKNOW**Duties:**

- Working closely with other professionals like surveyors and civil engineers.
- Producing drawings and specifications for construction teams.
- Identifying customer requirements and attending meetings on site.
- Helping to co-ordinate technicians and craftspeople.
- Assessing the impact a building will have on the local environment.
- Ensuring building projects are completed within budget and schedule.
- Liaising with local authorities and regulatory bodies re: building regulations.
- Helping to prepare company tender applications.
- Writing design and technical reports.
- An understanding of all aspects of the design and procurement process.
- Responsible for specifying the nature and quality of materials required..
